Placement on the Bidder's list is no guarantee that your company will receive a solicitation to bid. The County keeps a bidder's list as a convenience for the vendors. To assure that you are kept informed of all upcoming bid requests, check our newspaper ads. Purchasing advertises all bids and proposals in Sunday editions of the Lynchburg News & Advance and may advertise in other newspapers of local circulation. We also list bids, proposals, and requests for quotes on the Campbell County Web site at <http://www.campbellcountyva.gov/depts/purchasing/>.

It is the vendor's responsibility to keep their applications current and to notify Purchasing when changes occur regarding the products or services offered, address, ownership, or status as a bidder.

The County reserves the right to remove vendors from our listing after a period of inactivity.
